

## Global Perspectives: 1<sup>st</sup> Semester Review

### Suggestions for a successful exam:

1. Fully complete this review guide. Those who do not will not be allowed to fully participate in a class review led by the teacher before the exam.
  - a. Facts about each topic listed below should be written down on a separate sheet of paper.
  - b. Be brief but thorough. For example, if a name is listed, do not write an entire paragraph about the person. Instead, know where the person is from and the major accomplishment he/she is known for.
2. Review all notes taken throughout the semester prior to your test. Start NOW by using your notes as your first source in locating the information asked for on this review guide.

## GEOGRAPHY

Define and answer the questions about the Five Themes of Geography.

### Location

- What is relative location? Give an example.
- What is absolute location? Give an example.
