

Global Perspectives Geography Unit

Use the country you researched yesterday and complete one of the following activities:

1. Design a time capsule that includes 10 cultural objects related to a place.
2. Explore a place of your choice by generating a map made of clay, your map must include 5 geographical features.
3. Write a one page description of the natural and human characteristics of a place of your choice.
4. Discuss the physical and cultural features of a place by conducting an interview with a person from another country. Share that information through all oral report (3 minutes) or a written report (1 page).
5. Create a poster illustrating the human/cultural features of a place.
6. Create a menu that includes 3 meals a particular culture would eat. Prepare 1 item from your menu.
7. Listen to the music of a country or region. Write an anthem or song that depicts its physical and/or human characteristics.
8. Create a journal entry about "How I would be different if I grew up in a different culture."
9. Read at least 2 stories/myths/poems from another culture and explain the significance of that story to the culture it is from.
10. Investigate and explain the positive and negative effects of the people on their environment.
