

## Purpose of this Website

Sociology is a class designed to study groups and to gain the most effective use of this class, attendance is necessary.

The purpose of this website is to keep students, parents, and counselors up-to-date with the class schedule and homework in the event of absence, medical leave, or "lost" assignments. Notes, chapter study guides and homework assignments are listed and can be accessed if the material is not copyrighted.

This website is available at any time by anyone with the school's web address. Teachers can be contacted through the guidance office, by email or by voicemail.
